

With All My Heart

In this quite place with you
I bow before your throne
I bear the deepest part of me
To you and you alone
I keep no secrets
For there is no thought
That you have known
I bring my best and all the rest
To you I lay them down

With all my heart
I want to love you Lord
And live my life
Each day to know you more
All that is in me
Is yours completely
I'll serve you only
With all my heart

You faithfully supply my needs
According to your plans
So help me Lord to seek your face
Before I seek your hand
And trust you know what 's best for me
When I don't understand
Then follow in obedience
In every circumstance

Live Like That
Sidewalk Prophets

Sometimes I think
What will people say of me
When I'm only just a memory
When I'm home where my soul belongs

Was I love
When no one else would show up?
Was I Jesus to the least of those?
Was my worship more than just a song?

I wanna live like that
And give it all I have
So that everything I say and do
Points to You

If love is who I am
Then this is where I'll stand
Recklessly abandoned
Never holding back

I wanna live like that
I wanna live like that

Am I proof
That You are who you say You are?
That grace can really change a heart?
Do I live like Your love is true?

People pass
And even if they don't know my name
Is there evidence that I've been changed
When they see me, do they see You?

I wanna live like that
And give it all I have
So that everything I say and do
Points to You

If love is who I am
Then this is where I'll stand
Recklessly abandoned
Never holding back

I wanna live like that
I wanna live like that

I wanna show the world the love You gave for me
(I wanna live like that)
I'm longing for the world to know the glory of the King

I wanna live like that
And give it all I have
So that everything I say and do
Points to You

If love is who I am
Then this is where I'll stand
Recklessly abandoned
Never holding back

I wanna live like that
I wanna live like that
I wanna live like that
